

RUSKI LASHES

Product Disclosure Sheet

Brow & Lash Architecture Serum

Serums & Care · Brow & lash density support

Hybrid formulation

Key actives: Acetyl Tetrapeptide-3 · Biotinoyl Tripeptide-1 · Myristoyl Pentapeptide-17 · Red Clover (Trifolium Pratense) Flower Extract · Green Tea (Camellia Sinensis) Leaf Extract · Larch (Larix Europaea) Wood Extract
Reference: RL-BLA-006

SUMMARY

One serum for brows and lashes: a peptide and botanical-bioactive complex built to support the look of denser architecture where brows and lashes have looked sparse, on overplucked brows and the lash line. Once-daily, prostaglandin-free, and fully disclosed.

FREE FROM

Prostaglandins · Parabens · Fragrance · Sulfates

TEST DATA ON FILE

Prostaglandin analogs: None
Use: Brows + lash line, once daily
Complex: Peptide + botanical bioactive
