

RUSKI LASHES

Product Disclosure Sheet

Glass Lash Clear Conditioning Mascara

Makeup · Clear conditioning, primer & polish

Peptide formulation

Key actives: Panthenol · Biotinoyl Tripeptide-1 · Sodium Hyaluronate · Biotin

Reference: RL-GLC-001

SUMMARY

One clear gel, three jobs: prime the lash before mascara, polish for a glossy no-makeup look, or simply groom and hold lashes in place. Our Panthenol Clear Shield Complex conditions while it sets, and it's gentle enough for lash-lift clients, serum users and daily extension grooming. Fragrance-free and fully disclosed.
