Product Disclosure Sheet

## Overnight Recovery Lash Serum

Serums & Care · Overnight Barrier Repair, for lashes stressed by wear

### Hybrid formulation

Key actives: Hydrolyzed Vegetable Protein · Hydrolyzed Rice Protein · Panthenol · Sodium Hyaluronate · Myristoyl Pentapeptide-17

Reference: RL-RRS-002

---

### SUMMARY

Post-extension and post-lift lashes are fragile. They snap, shed and look sparse right when you want them to recover. This overnight serum leads with hydrolysed proteins and humectants to support barrier comfort and fibre resilience through the recovery window, not a length narrative. Fully disclosed, without prostaglandins.
