

RUSKI LASHES

Product Disclosure Sheet

Russian Volume Peptide Mascara

Makeup · Dense, fluffy, buildable volume

Hybrid formulation

Key actives: Myristoyl Pentapeptide-17 · Biotinoyl Tripeptide-1 · Vegan Wax Volume Complex · Panthenol

Reference: RL-RVM-001

SUMMARY

The full Russian-volume look without falsies: our Vegan Wax Volume Complex layers cleanly for dense, fluffy volume that builds coat on coat without clumping or flaking, while lash peptides and panthenol condition the lash underneath. Fragrance-free, with every pigment and active disclosed in full.
